| Important Questions | Answers | Why This Matters: |
|---|---|---|
| What is the overall deductible ? | <u>Network</u> : \$0 Individual / \$0 Family <u>Out-of-Network</u> : \$500 Individual / \$1,000 Family | Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible. The network and out-of-network deductibles accumulate separately. |
| Are there services covered before you meet your deductible ? | Yes, for example, emergency room care, urgent care, and certain COVID-19 expenses. | This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. See a list of preventive services at healthcare.gov/coverage/preventive-care-benefits .** |
| Are there other deductibles for specific services? | No. | You don't have to meet deductibles for specific services. |
| What is the out-of-pocket limit for this plan ? | <u>Network</u> : \$2,000 Individual / \$4,000 Family <u>Out-of-Network</u> : \$4,000 Individual / \$8,000 Family | The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met. The network and out-of-network out-of-pocket limits accumulate separately. |
| What is not included in the out-of-pocket limit ? | Contributions, (premiums), balance-billing charges, penalties, copays for certain specialty pharmacy drugs considered non-essential health benefits and healthcare this plan doesn't cover. | Even though you pay these expenses, they don't count toward the out-of-pocket limit . |
| Will you pay less if you use a network provider ? | Yes. See www.anthem.com or call (844) 812-9207 for a list of network providers . | This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. |
| Do you need a referral to see a specialist ? | No. | You can see the specialist you choose without a referral . |

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.

COVID-19 Evaluation, Testing and Treatment, and Telehealth Services: The Medical Trust will waive all copays, deductibles, and coinsurance for its members for healthcare services relating to the evaluation and testing for COVID-19. In addition, the Medical Trust will waive all copays, deductibles, and in-network coinsurance for its active members for healthcare services relating to the treatment of COVID-19. The Medical Trust will also waive all copays, deductibles, and coinsurance for all telehealth services received through its third-party administrators' telehealth platforms. The Medical Trust will also allow claims for virtual visits with network and out-of-network providers who do not use a telehealth platform offered by Anthem Blue Cross and Blue Shield, but standard deductibles, copays, and coinsurance will apply.

Your Rights to Continue Coverage: The Plan's Extension of Benefits program is similar, but not identical, to the healthcare continuation coverage provided under Federal law (known as COBRA) for non-church plans. Because the Plan is a church plan as described under Section 3(33) of ERISA, the Plan is exempt from COBRA requirements³. Nonetheless, subscribers and/or their enrolled dependents will have the opportunity to continue benefits for a limited time in certain instances when coverage through the health plan would otherwise cease. Individuals who elect to continue coverage must pay for the coverage. Call (800) 480-9967 for more information.

Your Grievance and Appeals Rights: There are agencies that can help if you have a complaint against your [plan](#) for a denial of a [claim](#). This complaint is called a [grievance](#) or [appeal](#). For more information about your rights, look at the explanation of benefits you will receive for that medical [claim](#). Your [plan](#) documents also provide complete information on how to submit a [claim](#), [appeal](#), or a [grievance](#) for any reason to your [plan](#). For more information about your rights, this notice, or assistance, contact Anthem Blue Cross and Blue Shield or Express Scripts, as appropriate.
