RESOLUTION #1

Title: *Camp Arrowhead*

Sponsored by: The Rev. Jeffrey Ross

WHEREAS the Diocese of Delaware has maintained a thriving ministry at Camp Arrowhead for over 56 years with one of the best camp locations in the Episcopal Church;

WHEREAS since the Diocese acquired the Camp in 1954 to be “an excellent training ground for future generations of Christian citizens,” we have helped to develop and equip several generations of lay and ordained leadership for our Church. Currently, less than half of the congregations in the diocese currently send any campers to Camp Arrowhead, yet its enrollment continues to be at the highest level ever. The Camp is a great resource that allows more time for Christian Formation than most year-long Sunday school programs. The aim of this resolution is to not only support Camp Arrowhead, but to also prepare new leadership for our congregations and encourage them to make use of this wonderful ministry.

BE IT RESOLVED that each parish in the Diocese of Delaware is strongly encouraged to maintain at least ONE annual scholarship for a full residential week to the Camp to be given either to a member of the congregation or to the Camp Arrowhead Scholarship Fund.

WHEREAS during the wars of the last fifty years an estimated 44 million innocent civilians were killed in armed conflict around the world;

WHEREAS we are called as Christians to remember these tragic deaths so they are neither trivialized nor forgotten;

WHEREAS this Church has called upon its members to be peacemakers and agents of reconciliation;

WHEREAS The Episcopal Peace Fellowship of Delaware is creating a visual symbol of the innocent victims of armed conflict by collecting one penny for every civilian death in the past 50 years;

WHEREAS the Episcopal Peace Fellowship of Delaware will donate these funds to non-profit organizations that directly care for and provide relief to the innocent victims of current armed conflict;

WHEREAS it is the aim of the Episcopal Peace Fellowship of Delaware that every parish in our diocese provide an opportunity for its members to contribute to the goal of remembering each of the 44 million innocent civilians who have perished as the result of violent conflict and whose numbers continue to grow at an appalling rate;

BE IT RESOLVED that each parish promote opportunities for participating in the collection of pennies by regularly publicizing the goals of the Witness for Innocent Victims of Armed Conflict and its rationale, by providing a container to receive pennies, and by seeking a volunteer in each parish to coordinate this witness with the Episcopal Peace Fellowship of Delaware.

RATIONALE: As a witness to the loss of innocent life in armed conflicts around the world, the Episcopal Peace Fellowship of Delaware began a project two years ago to create a visual symbol of this loss. The inspiration for this initiative came from the realization that whereas a day of remembrance has been established for the service men and women who are killed in war, we do not recognize, remember, nor honor the innocent casualties of armed conflict. The Episcopal Peace Fellowship of Delaware therefore resolved to remember the lives of those victims by collecting one penny for every life lost. We acknowledge that these innocent deaths continue to occur, that they occur on both sides of armed conflict, and that they result not only from direct violence to individuals, but also from the ensuing indirect consequences of war such as hunger,

cold, homelessness, sickness, the brutality committed against displaced persons and international policy. The idea came from the film *Paperclips* which documents a group of middle school children in Tennessee who collected over 4 million paperclips from around the world, one for each life lost in the Holocaust. The Episcopal Peace Fellowship of Delaware is collecting one penny for every non-combatant life lost in the last 50 years from armed conflict – 44 million. One penny weighs .088184905 oz and 44 million pennies weighs 242,508.475 pounds or the equivalent of 65.89 Toyota Camrys or 15.54 F 16 fighter jets. 44 million pennies is 686.46648 cubic feet or about 8.8 feet x 8.8 feet x 8.8 feet. This collection will serve as a visual reminder of the costs of war on both sides. The money raised will be donated to non-profit organizations that provide care and relief to civilians at risk of becoming casualties of war and thereby prevent further deaths. Distribution will be made as the size and or weight of the collection becomes unmanageable. Penny collections will be picked up by EPF of Delaware members or can be sent to Saint Paul's Episcopal Church in Georgetown.

The Rev. Canon Mark Harris, Associate of Saint Peter's Church, Lewes
The Rev. Earl Beshears, Rector of Saint Paul's Church, Georgetown
The Rev. Rita Nelson, Rector of Saint Philip's Church, Laurel (retired)

WHEREAS the annual Diocesan Convention is an opportunity for all of the people and congregations within the Diocese to come together and celebrate our common life in Christ; and

WHEREAS the Constitution and Canons specify no particular time of the year to hold the annual Diocesan Convention (See Canon 1); and

WHEREAS *The Book of Common Prayer* (1979, page 265), describes Lent as "a season of penitence and fasting," observed with the spiritual practices of "self-examination and repentance; prayer, fasting and self denial; and by reading and meditating on God's holy Word;" and

WHEREAS the season of Lent would seem incongruous to the tone of celebration at an Annual Diocesan Convention; and,

WHEREAS most active congregations have considerable additional seasonal programming with supplementary worship services and Lenten Study groups; therefore

BE IT RESOLVED that the 225th Diocesan Convention urges the Bishop and the Diocesan Council to refrain from scheduling the Annual Diocesan Convention during the season of Lent except in time of extreme and profound urgency.

SECTION III - CONVENTION ADDRESS

THE RT. REV. WAYNE P. WRIGHT
BISHOP OF THE DIOCESE OF DELAWARE

Bishop's Address
225th Convention of the Diocese of Delaware
March 13, 2009
St. Peter's Church, Lewes

“That We All May Be One”

I want to begin my Convention address on a personal note. As many of you know, this year began for me with the unexpected death of my youngest brother. It was a difficult time for our family and especially for my parents to lose their youngest child. In the midst of this real sadness my appreciation and sense of pure gratitude for the Spirit and ministry of our Church has deepened and grown. The clergy and lay leaders of the Episcopal Church in Virginia, where we grew up, were wonderful sharing with us the pastoral ministry of Christ, through their time and attention, in the things they did and said. From all around Delaware I received notes, cards, letters, expressions of love and concern. I read them again while I was preparing for this address. In my experience this is the real thing, so near to the heartbeat of a loving Christ. “Love one another,” Jesus said, “as I have loved you. By this all will know that you are my disciples if you love one another.”

Jesus spoke these words gathered with his disciples in the Upper Room. He was with them to break the bread and bless the cup for the sacred Passover Meal. What a moment it must have been as John the Evangelist describes it for us. These are the same disciples who left everything to follow him. And, oh the things they saw. They were there when the man born blind receives his sight. They were there when a young boy's lunch of fish and bread scraps fed a teeming crowd of 5,000. They were the ones who saw the dead man, Lazarus, stand up still reeking with the aroma of death.

All these things they saw and even more. Standing before the gates of Jerusalem branches of palm broken off and waving in the air, “Hosanna to the coming One! The Son of David! Blessed, blessed is the one who comes in the Name of the Lord. Hosanna in the Highest!” All this they saw and so much more.

So on that holy Passover night he said the blessing, broke the bread, and shared the cup. And after he finished the prayers, Jesus was so evidently troubled in spirit. He said to them “Very truly I tell you, one of you will betray me. In a very little while I will be with you no longer. And, where I am going you cannot follow.” They were uncomprehending. They were afraid. But, he said, do not let your hearts be troubled. Do not be afraid. During these coming days of the Cross and of the Tomb I am giving you this gift. I am making you this Promise. A new commandment I give you, a new commandment I leave with you – love one another. So this prayer, this promise is lived out in his hope that we may all be one.

This new commandment – to love one another - couldn't have come at a better time. There were old commandments. But, they weren't working then. And, they aren't working now. Old commandments, you say? We didn't know that there are old commandments. But, there are. They may not be written on stone tablets, these old commandments. But we hear them every day. What are they?

Commandment #1 *Be Afraid!*

Be afraid has been the insistent drumbeat pouring from every media outlet. The only real news, we are told, is bad news. Don't pay attention to all that other stuff. It's only an illusion. The only real news is bad news. This is the first commandment: "Be afraid!"

Commandment #2 *It will never end*

Over this last year we have continued to hope for the return of peace on earth. But, the wise and the powerful tell us that we will yet have to wait and pray for those still in harm's way. It is time for war to end. This is the second commandment: "It will never end."

Commandment #3 *It can't be fixed*

We all know. It is painfully obvious that even basic medical care is beyond the reach of too many. Still, the wise and the powerful want us to think that the system can't be fixed even though we know that with hard work, mutual self-sacrifice, and a desire to build up a common good – it can be. This is the third commandment: "It can't be fixed."

Commandment #4 *Think about Number 1*

In such an uncertain economy the loudest voices of common sense urge us not to be generous, compassion, or just. This is a dog-eat-dog, survival-of-the-fittest world we are told. Generosity, compassion, and justice serve only the weak and the foolish. This is the fourth commandment: "Think about Number 1."

But, we have a new commandment. Jesus has given us a new commandment to love another and look for the signs of his presence fulfilled in the day-to-day ministries of the faithful – disciples and friends living and serving together in faith, hope, and love. These are blessings. They are real and they are many.

The presence of Bishop Martin Shaw and his wife, Elspeth, are a visible reminder of our unity with others around the world. What a blessing this companion relationship has been over these nine years. How much we have learned from the steadfast witness of your faith. How much your friendship has meant to us especially in a time when some have wanted to break longstanding Anglican bonds. We will always be grateful for your gracious hospitality and gentle good spirit. This friendship has deepened our understanding of what it means to say that we are one. Thank you.

Our presence here at St. Peter's Church, Lewes is a reminder of our own heritage of faith, and of the vitality, and opportunity of this present moment. Missionaries from Britain came in small sailing ships across a broad ocean to found this church. Through the years as the Town of Lewes has evolved from a small fishing village into a vital, diverse, and thriving seaside community, St. Peter's Church has grown along with it. I continue to be impressed by the ways that not only St. Peter's but so many other Episcopal churches in Delaware have risen to the challenge and taken advantage of the opportunities to serve and to share in Christ's Name. I recognize and support

the clergy, vestries, and lay leaders who are wrestling with and responding to, in faithful and thoughtful ways, the challenges of church life today. I know that this is hard work and appreciate all that you are doing.

As we leave this church this morning, look around. This old church is surrounded by the tombs of our ancestors. Their tall stone markers rise like prayers to the heavens. As Paul the Apostle reminded us, we are the fulfillment of their hopes as we build and shape our churches responding to the opportunities that our ever changing communities present. We are one with their faith through the ages.

Over this last year we were pleased to welcome to the Diocese of Delaware our Presiding Bishop, Katharine Jefferts Schori. Her presence was an important reminder of how the Episcopal Church has grown in leadership over these last years. The most recent General Convention was a reflection of her thoughtful, faithful ministry. As our lay and clergy deputies will tell you, the good spirit was evident and obvious. Although not receiving much attention in the headlines, this General Convention adopted a denominational health insurance program for the Episcopal Church – a reminder to all of us that through hard work, careful planning, and good will, even important changes can happen. This General Convention also completed a revision of the canonical rules governing the conduct of church leaders – an important facet of our commitment to make this Church a good place and a safe place for everyone to worship, work, and serve.

Few places in this diocese showcase our unity more than the dining hall at Camp Arrowhead. There is nothing quite like joining the campers, counselors, and camp staff for dinner on a warm summer evening. What a beautiful place and valuable resource for our ministry. The vitality and hope for the future are obvious. Last summer over 800 young people attended Camp Arrowhead. Many were able to do this because of the gifts you make every year for camp scholarships and because of direct financial support Camp Arrowhead receives from our Diocesan Budget. Your generosity helps make this possible. And, don't forget – send a kid to Camp Arrowhead this summer.

This year also saw our youth ministry begin to take shape through the work of our new Diocesan Youth Council and our youth coordinator, Teri Valente. They have been leading our prayers at this convention and will be reporting to you later this morning. They invited me this past summer to the first annual Bishop's Bash. What's a Bishop's Bash you ask? Sixty young people gathered at St. Thomas's, Newark for a party, a costume contest, and a chance to ask the Bishop any question they wanted. For example "What songs do you have on your iPod?" "What's the favorite perk of your job?" Ask me later.

St. Stephen's Church in Harrington on the first Saturday in December was another place to find the unity in our diocese. Was a church ever more filled with people than the day we ordained the first class of deacons to serve in our Diocese? Thank you to St. Stephen's for their hospitality that day. We introduced them to you last night. We are proud of all they have done to prepare for this ministry and of the community of people who have supported them in their training – including Rita Nelson, the program coordinator. These new deacons remind us of our own need – each one of us - as Christ's disciples to pray and to serve in Jesus' Name.

This has also been a year when we have all been united by our concern about finances. Although Jesus said, “life is more than money,” there have been times when this has been hard to remember. Today our Diocesan Treasurer will present to the convention a balanced budget. So many things have gone into making this possible. Fundamentally, it is a reflection of our long-term commitment that the Diocese of Delaware is and will be a source of stability and strength for the mission of the church through the years. It conveys a sense of cautious confidence as we face the future together.

And, let me say to wardens, treasurers, vestries, thank you for your generous support. It is recognized and appreciated. And, to staff, trustees, and members of the Finance Committee thank you for your hard work in shaping budgets and reducing expenses.

I also want you to know how impressed I have been by the outpouring of love, support and prayer for the people of Haiti and the Episcopal Church in Haiti following the recent earthquake. The work that Episcopal Relief and Development is doing there has been extraordinary. I am very pleased that during the first week of November Robert Radtke, president of ERD, will be visiting Delaware. We will look forward to learning more about specific ways that we can help with the rebuilding in Haiti and the support the work of Episcopal Relief around the world.

Now our unity is not just about the present and the future. It is also about the past. I am grateful to all who have participated in showings of the documentary film “Traces of the Trade” and have had subsequent discussions and parish studies. Remember the commitment that we made for this to happen in every congregation in our Diocese. There is much for each of us to learn about the weight of the historic tragedy of slavery that still drags us down.

The date is set for our Diocesan Service of Repentance and Apology for our involvement in the institution of slavery. Saturday, October 30, 11 a.m. at the Cathedral Church of St. John. Why then? This is important. We want to do this well. And, we have learned from the experience of others that doing it well takes time. I hope and expect that you will be present – clergy and lay leaders from every congregation. This is the only way it can be a truly diocesan service. I also intend to invite elected public officials from across the state. This is an issue for all of us as members of this community and not just for the Episcopal Church.

All these things bring to mind the opening words of Psalm 34 “I will bless the Lord at all times; God’s praise shall ever be in my mouth.” This is the high calling that unfolds before us – to see whole lives, real lives, our lives in the perspective of God’s life. This is the on-going insight of prayer that we should see, that we could see every moment of life as being held in the palm of God’s hand and so to never lose heart no matter what may come. So I have loved you, Jesus said, so you must love one another.

This, my friends, is the day that the Lord has made. Bright is the light that shines upon our path. This is field that the Sower has planted. Already the field is ripe for the harvest.

Tempered and challenged though we may have been - God has given us one, more, good year. Let us use it well. Amen.

CAMP AND CONFERENCE CENTERS

Camp Arrowhead

Camp Arrowhead had another successful summer camping season with attendance the same as in 2008, despite the economic situation. Approximately 840 campers attended the residential and day camp this past summer. Among these were 202 Episcopal children from the Diocese of Delaware and 41 from the Diocese of Pennsylvania. The summer camp staff led by Walt Lafontaine is to be commended for their leadership through another great summer. Camp is a powerful ministry for youth throughout our Diocese. Registration for the 2010 summer season is already underway so please encourage the young people of our parishes to take advantage of the treasure that is Camp Arrowhead.

Camp Arrowhead is also utilized as a conference center during the balance of the year. Groups enjoy the rustic setting to spend time building relationships, enjoying the outdoors or learning about nature in the unique setting on the edge of the tidal marsh. Many of the groups utilize the programs of the Carmine Environmental Center (CEC) to gain hands on knowledge of a coastal environment. Over 30 groups spent time at Camp Arrowhead for a conference or environmental seminar. A cross section of the groups attending included schools, churches, youth groups, and outdoor enthusiasts. We also hosted several weddings of former campers or staff. This is a ministry with room to expand particularly in the area of environmental education.

Work continued on the master plan as a local architect was hired to begin to flesh out the outline of the plans for Camp. An ad hoc group from Diocesan Council will be looking at the overall camp program and recommending a final version of the master plan.

Negotiations with the State of Delaware resulted in the signing of a permanent easement allowing Camp to use part of the State lands adjoining Camp. Further discussions on land issues will continue in 2010.

duPont Memorial House

Memorial House completed another successful year as the overnight retreat center for the Diocese. We are also benefiting from a number of groups using Memorial House for family reunions or group retreats during holiday seasons. With its picturesque setting in Rehoboth Beach this gift from the A. Felix Dupont family remains one of the jewels of our life together in Delaware. The house provides an ideal place for vestry retreats, group meetings and summer vacation fellowship for the clergy and members of the Diocese. The conference season from September to mid June is booked on most weekends and weekday use is increasing. The majority of the groups are church affiliated with a significant number coming from Delaware. We are targeting additional non-profit usage during the week as a goal in the future. The summer season continues to be a popular way for individuals, families and parish groups to enjoy fellowship with members of our Diocesan clergy and their families.

CHURCH PERIODICAL CLUB

The Church Periodical started as a club in 1888 by Mary Ann Drake Fargo and a small group of Episcopal Women. Their desire was to get books and bibles to the missionaries in the Dakotas and further West. I hope you noticed Mary Ann's last name Fargo; She persuaded her husband to put the supplies on Wells Fargo Stage Coaches. Our delivery system has changed but not the commitment to supply theological and educational materials to missionaries all around the world.

CPC is an independent affiliated organization of the Episcopal Church. We depend solely on voluntary contributions to carry out this ministry. Like the church, CPC functions at all levels: parish, diocesan, provincial, and national. Parish and diocesan representatives initiate local projects. Through the national granting programs grants are allocated worldwide based on

contributions available in two funds. Applications for these are processed through the CPC offices at the Episcopal Church Center in New York.

This year in Anaheim, California on July 6, 2009 during the CPC Triennial Meeting 78 grants were funded for a total of \$33,498.22 for domestic and overseas projects. The other fund that distributed grants is the Miles of Pennies were 19 grants totaling \$14,435.65.

So far this year we have collected here in Delaware \$147.19 for the Miles of Pennies with just 3 churches participating. In our church we have a jar at the doorway where people drop in their pennies and of course after church the children carry the jar around in Fellowship Hall. This fund is for children – preschool through grades 12. It provides printed or taped books and related materials just for children. I've received in the mail a plaque for the Diocese of Delaware in appreciation for contributing 2 Miles of Pennies over a few years. Thank you all for your support.

Nationally there is a CPC Sunday usually the 1st Sunday in May but the response in our diocese has not been very good. Last year I started a "Chili Sunday" and sent letters to all the parishes encouraging them to take part. Our church had it the Sunday closest to Valentine's Day and it was greatly received; in fact our Sr. Warden said it was our 1st Annual Chili Sunday. Four churches in our Diocese took part and we raised \$1119.00 and they said it was a great success. The need is great in supplying materials to seminarians and missionaries. This year when I send out the letter inviting parishes to take part in this event; say yes and see how much fun you'll have and think of all the help and encouragement to those who the grants can help.

You can become a member yourself for just \$20.00 a year, and then send that to me so your Diocese will get credit. This year I was fortunate to have been asked to share about CPC at the ECW Annual Meeting at Dover in October. There were many in attendance that had never heard about our programs and great interest was shown. In November I'll be at Parish Life Day so answers can be given and information shared.

I would encourage that every church have a CPC representative whether you have an active ECW or not. I am available to come and share about CPC and what that representative needs to do or I can speak with you on the phone. Please pray fully consider sharing in this great work. I'm looking forward to hearing from you and making 2010 a great year.

COMMISSION ON MINISTRY

The Commission on Ministry assists the Bishop in his role of recruiting and discerning vocations in lay and ordained ministry. During 2009, the COM held four regular meetings during which it interviewed two persons for the diaconate, certified to the Standing Committee six persons for ordination to the diaconate and one person for ordination to the priesthood, and consulted with the Bishop regarding a congregational placement and discernment process for an individual who has already attended seminary. Separately, The Chair of the COM attended three meetings of the Lay Ministry Support Team, represented the COM at a meeting of the Standing Committee, and also met several times with the Bishop to discuss issues of mutual concern. Plans for 2010 include issuing a manual containing the revised diocesan discernment and ordination process for the priesthood, and an expansion of the COM membership to include additional lay and clergy representation.

As of the year end 2009, the Commission members were: The Rev. James M. Bimbi (St. James' Mill Creek Hundred, Wilmington), The Rev. Patricia Bird, Mrs. Patricia Hampton (Sts. Andrew & Matthew, Wilmington), Mr. Barry Hutton (Immanuel-on-the-Green, New Castle), The Rev. Rita Nelson, Ms. Angie Rummel (St. Peter's, Lewes), Mr. E. Naudain Simons, III (St. Nicholas, Newark), and The Rev. Anna Waid (Grace, Wilmington).

DELAWARE COMMUNICATIONS

In 2009 the Diocese of Delaware expanded its communications ministry with the addition to the bishop's staff of Maureen Lyons as volunteer Communications and Press Liaison. Maureen, who is part of Trinity Church, Wilmington, supports the diocese in public relations and external communications. She writes press releases and arranges press coverage of diocesan events, and she offers her assistance and expertise to parishes as well. Maureen also serves as an active, collaborative member of the diocesan communications team.

Communications within the diocese are conveyed via the bishop's weekly e-newsletter, the *Net*, edited by Carmel Stephano; the diocesan website, edited by Danny Schweers; and our monthly newspaper, the *Delaware Communion*, edited by Jen Mason.

The *Net* is published each Wednesday, and submissions may be sent to Carmel Stephano at CStephano@DioceseofDelaware.net. The e-newsletter is sent to staff members and parish leadership around the diocese. It includes a weekly message from Bishop Wright and provides a perfect vehicle to get the word out about time-sensitive events as well as advertising for lay staff positions.

Danny Schweers (who is an active member at the Episcopal Church of Sts. Andrew and Matthew, Wilmington) works eight hours a week for the diocese, maintaining the diocesan website. Visits to the website increased by 20% in the past year, 22,653 visits in December, 2009 compared to 18,756 in December, 2008. This is an increase of 180% over two years ago, an indication of how rapidly our culture has embraced the Internet. The most-visited pages are News & Events, Bishop This Week, *Delaware Communion*, and Find A Church. Video presentations are the latest addition to the website. Also, in 2009, Danny designed ten issues of the *Delaware Communion* newspaper, with additional articles appearing on the Publications page of the website. He photographed the 2009 Annual Convention in Greenville. Back issues of the *Communion*, this annual report, and scores of other documents and photos can be found on the diocesan website: www.DioceseofDelaware.net.

The *Delaware Communion* is published jointly with *Episcopal Life* (now *Episcopal News Monthly*), sharing news from the diocese, the United States, and the Anglican Communion with parishioners in Delaware from September through June. Jen Mason, *Communion* editor, focuses coverage on key events and milestones in the lives of Delaware parishes and ministry partners, in addition to diocesan news and events. Jen is a member of St. Peter's, Lewes, and works seven hours a week for the diocese. Volunteers are key to the life of the paper, as all writing and proofreading services are donated. In addition to the many generous writers, the *Communion* is proofread each month by members of the bishop's staff and Anthony Grillo, Immanuel Highlands; Helen Murphy, St. Peter's, Lewes; Barb Scira, St. Nicholas; and Diane Sparks, Christ Church Christiana Hundred. The deadline for the paper is the first of each preceding month and contributions can be made by contacting Jen at her home office in Rehoboth (226-8335) or by email at Editor@DioceseofDelaware.net.

DIACONATE MINISTRY

In April of 2009 the Diaconate ministry was blessed to have the Bishop confer Candidacy on six diaconal aspirants. They are:

- Pat Malcolm – Christ Church, Dover
- Thomas McCormick – St. Martha's Bethany Beach
- Susan Phillips – All Saints, Rehoboth Beach
- Cecily Sawyer-Harmon – Cathedral Church of St. John, Wilmington
- Sheila Sharpe – St. Albans, Wilmington
- Dorothy Vuono – Christ Church, Milford

In addition, two aspirants, Carl Desmond –Ascension Episcopal Church, Claymont, and Robert Shea, St. Peters, Lewes, continued in the diaconal discernment process. In June, Robert Shea was withdrawn from the process. The fourth Diaconate Information and Discernment Days (DIADD) were held in March and two inquirers, their rectors, and a congregational representative attended. One inquirer, Kathryn Jakabcin from Calvary Hillcrest, Wilmington, moved forward in the process. The other inquirer, Debi Goebel from St. Paul's, Georgetown, decided not to pursue the diaconate at this time. All diaconal aspirants and postulants attended three diaconal Saturday seminars during 2009 (the January seminar was cancelled due to weather) on the following topics led by myself, our Examining Chaplains and guest speaker, Joyce Bembry):

- 1 Practical Experience (The Rev. Earl Beshears)
- 2 Church History (Dr. William Innes)
- 3 Liturgy (The Rev. Ed Godden)
- 4 The Emergent Church (The Rev. Rita Nelson)
- 5 Anti-racism Certification (Joyce Bembry and The Rev. Rod Welles)

In April, 2009, a spring three-day diaconal retreat for two aspirants and six Candidates was held at Memorial House with The Rev. Canon Mark Harris leading them in the topic of "Social Justice." In September 2009 a fall three-day diaconal retreat was held at Memorial House for two aspirants and six Candidates with The Rev. Celeste Cox leading them in the topic of "This is my Son, Listen to Him." In addition an annual luncheon meeting with the Bishop and Examining Chaplains and Rectors of diaconate participants was held. A second meeting with the Candidate's Rectors was held in September to begin planning for ordination and the transition to having deacons in the parish. The greatest joy this year was the ordination of our first six diaconal Candidates on December 5th at St. Stephen's, Harrington. It was truly an historic day, witnessed by hundreds of faithful people. In the next year the diaconate program will hold a fifth DIADD, spring and fall retreats, and four "Seminar Saturdays," beginning in January. The Diaconate ministry looks forward to expanding our educational offerings to congregations interested in becoming diaconal congregations. Our thanks go out to all our Examining Chaplains, retreat leaders, and sponsoring churches for helping to make the diaconal ministry in our diocese an outward and visible sign of our call to mission ministry.

DIOCESAN RETIREES COMMITTEE

This committee, organized by Bishop Wright in 2000, is concerned with retired canonically resident clergy, widows, widowers and retired diocesan lay staff. We also include retired clergy and spouses or their widows/widowers who live in Delaware or nearby, but are canonically resident elsewhere.

In Delaware we are the happy recipients of the hospitality of Bishop Wright and the Trustees at two luncheons held annually for fellowship, communication, and program. This year we have enjoyed two speakers from the Delaware Humanities Forum. On May 18, Michael Dixon spoke on "Saving Family Treasures". On October 12, Sam Broudy's subject was "All Over This Land; American Regional Music". Both luncheons at St. Andrew's School were greatly enjoyed.

Throughout the year the committee has met various times to review retired clergy needs and pastoral concerns. Committee members, in addition to Bishop Wright and Jeanne Linderman include Joe James, Simon and Nan Mein, Larry Miller, Carol Shackleton, Robert Smith and Esther Ward.

EPISCOPAL CAMPUS MINISTRY

ECM after several years of transitions and several chaplains finally has a permanent chaplain with the call of Deacon Cecily Sawyer Harmon, LCSW in July of 2009. I am humbled and very thankful for this call; it has been a blessing and has afforded me the opportunity to bring my twenty years of experience at the university to my call as the campus chaplain. The students have been welcoming and committed to enhancing our program.

Our president, Ann Urinoski, is committed, dedicated and openly expressive of her love for ECM has been especially helpful to my adjustment as I begin this call. Through fellowship, communion and faith we are reaching out to students and the community. This past fall our activities included the welcome back picnic earmarking the new semester. As in years past the timing proved not to be conducive to students stopping by, looking ahead we will host a welcome back activity another time.

Our mission project for the fall was to sell jewelry and artifacts from Kenya and sent to us from African Team/Mercy Flight. Proceeds from the sale are used to support orphaned children whose parents have succumbed to AIDS. We were able to keep 20% of the profits, which will be used for future mission trips. We sent African Team/Ministries \$928. The students and I sold items at various programs this past fall; Newark Community Day, St. Thomas' craft day, Coffee house held at St. Thomas' and Parish Life Day.

We spent an overnight at Memorial House for our first fall retreat; "Breathing Bonding at the Beach". My colleague, The Rev. Dr. Bruce Haggren, Chaplain for the Lutheran students was with us. He and I conducted the service and later that evening we conducted the 5:30 service at St. Thomas. The Lutherans invited us for dinner and service the following month.

In November we attended PHELT, province higher education leadership team retreat. This is a program for Campus Ministers and student in province three. It was not very well attended this year with less than eight campuses represented. It was an excellent conference, our Ann Urinoski president of PHELT was one of the conference planners. This was a great opportunity

to network. In the spirit of ecumenism several of our students and I visited Hillel House during Sukkot (Festival of the Booths). As a clergy representative on the Commission of Ecumenical and Inter-religious relations ecumenism will be a foci of our communion with the other faiths and denominations on campus.

I attended a friendship dinner sponsored by the Rumi Forum, founded in 1999 whose headquarters is in Washington, DC. This is an organization with a mission to foster interfaith and intercultural dialogue. Two of the graduate students from the organization attended services at St. Thomas's where they extended an invitation to attend their annual dinner. Their focus is to promote friendship among Muslims, Christians and Jews. While at the dinner I invited three of the student to attend the ECM Thanksgiving meal. They attended with their spouses. ECM students have been invited to attend a Friday evening service at their Mosque in Newark- we intend to attend during the Spring Semester.

This spring semester ECM will change its' meeting time to Wednesday evening 6:30 to 8:30 with dinner provided by parishioners and our neighboring parishes. The host for the evening and our UD board are warmly welcomed to share the meal with the students. Some evenings we will celebrate Compline and/or Eucharist. Our Bishop will make his yearly visit as is his custom. We will continue to offer various programs throughout the semester and initiate new programs.

The newest program planned for this coming spring is "Yoga Y-E-S" which is Yoga Ecumenical and Spiritual. This program will be taught by Rev. Will Boatright, Episcopal Chaplain for Delaware Psychiatric Hospital. Will has practiced Yoga for a number of years primarily in church settings. We will continue to have movie night and our Bible Study at Brew-Ha-Ha.

ECM is ready to embark on this new decade renewed and inspired to provide a community of faith and fellowship where students will feel welcomed, have fun, deep conversations and explore their faith and who they are as children of God.

EPISCOPAL CHURCH WOMEN

The Episcopal Church Women continue the mission of our Church. With the demands of modern life, we do find our numbers decreasing though our work for the Church and our parishes is still of importance. This has been a busy year for the ECW Diocesan Board. We have continued to support Church Women United with their cookie drives and calendar collections for the prison system in December '09.

Helen Whitson, Immediate Past President of the ECW Diocesan Board has been elected President of the Province III Board. There was a Triennial Workshop in April preceding the Triennial in July.

Our ECW Annual Gathering took place on October 17, 2009 at Christ Church, Dover. The meeting was based on Millennium Development Goal #3—the Empowering of Women. The first workshop presented a comprehensive look at the Church Periodical Club. Gloria Brown, the Province III Coordinator, did an excellent job of presenting history and projects of the CPC. The second workshop was presented by Barbara Del Mastro of the Way Home Program. She also works with the Women's Prison which was our Board Project for 2009. The highlight of the day was Judith Gregory's wonderful presentation of her sabbatical in the Sudan. Everyone enjoyed the fabulous lunch prepared by Inez Bailey who is also the Parish Administrator. The Eucharist was celebrated by The Rev. Celeste O. Cox, Rector of Christ Church, Dover. Her sermon topic was the care and feeding of the caregiver.

The Diocesan Board is recruiting members to join our Board. Please give me a call for details. We invite the women of the diocese to attend our board meetings as we rotate them throughout the state. Advance notice is given about these meetings on our Web page on the Diocesan site.

We also respectfully ask the parishes for help with our Annual Financial Support by giving us a place in your annual budget for a donation, no matter how large or small so that we can carry on our outreach work which includes the chapel at the Women's Prison, aid to overseas delegates to attend Triennial, and ERD. Our major outreach for 2009 was the Women's Prison. Parishes were contacted to donate trial sizes of grooming aids. Women attending also brought a donation of these necessities and calendars. Please read our letter when it reaches you.

INSURANCE COMMITTEE

In last year's report, the Insurance Committee's plans for 2009 included studying the experience of the participants and of the employing entities with the Medical Insurance program for 2009 which included two plans from the Medical Trust. One of those plans was a standard plan with premiums paid 100% by the employing organizations and the second was an optional and more expensive plan where the premiums are shared by the participants and the employing organizations.

The committee learned that the experience of our participants and of the employing entities continued to be positive during 2009. Accordingly, the committee recommended continuing offering those two plans in 2010 with a few changes which the Medical Trust was implementing.

The standard EPO 90 plan, which provides benefits only on an in-network basis, will reflect an average increase in premiums of 4.9%; an increase in the deductible from \$100/\$250 to \$200/\$500; and the elimination of the copay for an annual preventative care visit. The optional PPO 90/70 plan, which allows the option of access to "out-of-network" providers in return for modestly higher premiums, will reflect an average increase in premiums of 6.7% and the elimination of the copay for an annual preventative care visit when using an in-network provider.

Again for 2010, the committee recommended that the premiums for the EPO 90 plan be paid 100% by the employing organization. For the PPO 90/70 optional plan, the committee recommended that the premiums be shared between the employer which would contribute the same dollar amount as for the EPO 90 plan and the employee who would contribute the additional amount needed to reach the premium for this plan.

At the 2009 General Convention, the Denominational Health Plan was approved and will become effective by December 31, 2012 when all of the employers will be part of the Medical Trust program. Since we have been offering medical benefits through the Medical Trust for three years, there will be no immediate change for us. Ultimately, it should result in more gradual changes in rates because of the larger number of participants.

For 2010, the Insurance Committee's goals and priorities are to assist the Business Manager to: (1) to research what would be needed to allow the Diocese to offer an high deductible medical insurance plan in the future; (2) study our Medical Insurance experience and make recommendations for 2011; and (3) analyze the options available for the Property/Liability Insurance program where the guarantee of the current premiums from Church Insurance will expire at June 30, 2010.

INTERFAITH RESOURCE CENTER

Mission Statement: The Interfaith Resource Center strives to encourage and equip faith communities in Delaware and on Maryland's Eastern Shore by providing support and resources, so that all may study the scriptures, share the faith, serve others, promote interfaith understanding and praise God.

Although current economic conditions and the ongoing technological transformation of the church environment provide on-going challenges, the Interfaith Resource Center continued in the past 12 months to meet the needs of over 300 member churches and as many as 8000 individuals, providing a broad range of services and innovative programs to the ecumenical and interfaith community of Delaware and Maryland's Eastern Shore. Actual transaction records indicate that approximately 1000 resources have been borrowed during that time, slightly lower than in the previous 12 month period. Two categories make the bulk of the difference: VHS tapes are rarely preferred any longer (DVD's typically count as 1 transaction for an entire series while VHS tapes in a series were often 1 tape per lesson), and books are not borrowed at previous levels. While there is no documented reason for the latter shift, it may be presumed that the significant shift to 'canned curriculum' has reduced the need for teachers to seek out supplemental material.

Now celebrating its forty-first year, the Interfaith Resource Center continues to grow its collections through acquisitions and donations, with a collection of over 7400 items, over 350 resources new to our collection. One service that has grown significantly and impacted our donation size is the acceptance of collections of used books from retiring pastors or deceased pastors' families. We have received over 800 books this year in that fashion and have redistributed approximately half of that number to other pastors and lay people, taking many of these donations to area meetings and conventions so that people throughout the state have the opportunity to acquire them. About 50 to 60 books were added to our collection through this means.

In Summer 2008, the IRC began a project to conform its holdings to a nationally-accepted library cataloguing system. The Dewey Decimal system was chosen for its familiarity and its ability to adapt to a small collection (less than 10,000 items). Relying heavily on volunteer help, we have now converted over 80% of our book holdings and over 50% of our audiovisual collection to the Dewey system. Once oriented to the changes, our browsing clients find it possible to locate resources on related topics in a much more efficient way, facilitating the ability to choose from related items the resource that best suits the clients needs. For example, all items treating the topic of the Book of Isaiah would have the same number: 224.1 or AV 224.1 (if audiovisual in nature).

While still only a modest part of our circulation, there has been a 350% increase in clients using electronic contact methods to borrow resources in 2009 while telephone contact has been reduced to nearly half.

Technology is most relevant when it is kept current. The Interfaith Resource Center website at www.interfaithresourcecenter.com was given a face-lift in November 2009, with a cheery, contemporary design. Currently Danny Schweers is in the process of moving our website and database to a more responsive & cost effective web-host. Don Hobson recommended a switch to a web-based remote-access program so that we could continue to work cooperatively with our satellite library at Wyoming United Methodist Church. While we continue to look for additional libraries to join our satellite project, it is important to keep the technology that supports it as relevant as possible.

Although the IRC is structured to serve congregations electronically throughout our mission field, travel remains an important aspect of the director's responsibilities providing visibility and networking. In 2009, the IRC Director attended 5 Episcopal meetings or events including the Delaware & Easton conventions; 9 United Methodist meetings or events, including annual

conference; and 7 Presbyterian meetings including the retreat. The IRC Director provided 5 art history lectures to Episcopal churches, 4 to Methodist churches, 1 to a Presbyterian congregation & 3 to Roman Catholic audiences. The IRC hosted 8 events open to participants from the entire community. Among those was a workshop series led by the Rev. Donald Griggs, noted author of *The Bible From Scratch* series and *Teaching Today's Teachers to Teach*. Intended for both clergy and Christian educators, the workshop series was held in locations in Wilmington and Dover.

Volunteers now constitute an average of 15-20 hours per week, significantly supplementing the salaried staff. In 2009 the following volunteers offered regular support hours to the Interfaith Resource Center: Anthony Grillo (Immanuel Episcopal Church, Highlands), Bob Lathem (Mt Pleasant UMC), Joanne Thiebault (St Paul's UMC), The Rev. Mary Browne (Charlestowne UM Charge) and Geraldine Crock (Concord Prebyterian). Additional volunteer support included: Don Hobson (Immanuel Episcopal Church, Highlands), Shirley Parris (Calvary Baptist Church), Alan Jewett (Concord Presbyterian Church), and the Rev Tom Davis (retired Presbyterian pastor).

The current board includes Dr Dave Verma, President (Wesley UMC, Dover), the Rev Bruce Gillette, Vice-President (Limestone Presbyterian), Sr Sheila Brigid Sharpe, Treasurer (St Albans Church) and Kim Capwell (Immanuel Episcopal Church, Highlands, the Rev. INVESTMENT COMMITTEE

The Investment Committee is charged by the Trustees with oversight responsibility for Master Fund A, the collectively-managed investment pool for Diocesan funds and those of many of its congregations. The fund allows the Diocese and member parishes to pool their investments, thus allowing for the benefits afforded a larger fund. The total value of Master Fund A at the end of 2009 was \$51.47 million.

The Fund is managed in accordance with written guidelines adopted by the Trustees. The provisions set an investment objective of 4% cumulative annual real return over rolling five-year periods, based on total returns, consistent with sound investment practice. The Trustees, through the Investment Committee, employ independent advisors, fund managers, and a fund custodian and account administrator. Hamilton & Company of Princeton, New Jersey provides oversight services. Payden & Rygel of Los Angeles, CA manages fixed-income investments; Steinberg Asset Management, LLC, New York, NY manages the 'value' equities portfolio; Neuberger Berman, LLC (The Capital Group) manages the "income" equities portfolio; and, Dawson-Herman Capital Management of Southport, Connecticut, manages the "growth" equities portfolio. This mix of investment styles is a key feature of Master Fund A. SunTrust Bank is the fund custodian and is assisted by the diocesan Business Manager. The total cost of management and administration was approximately 100 basis points (or 1%) in 2009, 79 basis points for management and 21 basis points for administration, custody and independent advice. Fee details for 2009 are contained in the annual audit included elsewhere in this Diocesan Annual Report. The Investment Committee meets quarterly with the consultant and two of the four managers on a rotating basis to review manager performance external benchmarks and the guidelines.

The total return of Master Fund A in the year ended December 31, 2009, net of fees and

expenses, was 19.5%. This compared favorably with our external benchmarks, which ranged from 6.9% to 20%. Equity returns were 33.4%; fixed income return was -4.7%. We continued the maximum allocation of investments in equities permitted under the guidelines. Real return for the five-year period ending December 2009 and net of fees was 1.6%, which is below the objective, 6.9%, and the external benchmarks ranging from 2.0-2.3%.

After careful consideration of market events and the poor performance of the fixed income portfolio, there were two fund manager replacements. John Hsu Capital Group, Inc., of New York was replaced with Payden & Rygel of Los Angeles, CA, a fixed income investor, and Columbia, which was taken over by Bank of America, was replaced with Neuberger Berman, LLC, an equity investor. A change was also made in the investment guidelines for the fixed income portfolio. The fixed income portfolio manager will be allowed up to 10% of the investment to be in non-investment grade bonds, but with the general overall rating of the portfolio remaining at 'A'. This change was recommended to and approved by the Trustees.

The Trustees have set the 2010 distribution at \$0.445 per unit per quarter, a 3.2% decrease from the level in 2008. This corresponds to a 4.8% payout based on the three-year moving average unit value for the fund through December 2009. It was discussed that it is likely that the 2011 distribution will be capped at \$0.43. Participants are, however, free to take the distribution as set by the Trustees, reinvest any or all of it in Master Fund A, or to withdraw additional funds in accordance with their own policies and requirements.

Master Fund A operates in much the same fashion as a mutual fund with units that are valued monthly. Participants may now deposit or withdraw funds monthly. Judi Gregory, Business Manager, is available at 302-656-5443 to help with the mechanics of participating in Master Fund A.

Our mission is to manage Master Fund A in a way that enables fund participants to carry out their ministries. Our goal is to meet our investment return target while limiting risk during periods of economic downturn. We welcome questions and comments from current and potential new participants.

PILOT CONGREGATION: LEARNING TO EMBRACE DIVERSITY

The Pilot Congregation now has a new formal name! The Pilot Congregation: Learning to Embrace Diversity. This new name leaves no doubt about our purpose. The new name was instituted because so many, after over 15 years, still ask 'what is the Pilot Congregation'? Nickname is still Pilot Congregation and our mission is still to work with the Bishop, diocese and parishes in moving toward the elimination of racism in our church and community and continue our own growth and learning about race, racial justice and racism. We are Twelve active members, including clergy and lay persons, women, men, Black, White, and Hispanic (we need youth members) representing six parishes in New Castle County.

The Pilot Congregation is committed to the fulfillment of diversity resolutions we presented and were approved at the 2000 Diocesan Convention, requiring all clergy and lay leaders to participate in training encompassing racism, race relations, and related social justice issues. After 10 years this is still needed. We offer a six-hour workshop to all diocese and parish clergy and lay (especially lay leaders). We also offer an evaluation method to all parishes who wish to determine their current status toward becoming an inclusive congregation (transformed and welcoming). We facilitated the six-hour workshop for our prospective deacons shortly before their ordination.

Participation in the annual Episcopal Urban Caucus enables Congregation members to stay in touch with national issues and interact with a diverse group of Episcopalians from all parts of the

U. S. who are working on similar issues. Four members attended the Province III meeting of anti-racism trainers and managers. We also had a display/exhibit at the 2009 Parish Life Day.

The Pilot Congregation worships in an informal setting, using a liturgy that incorporates newspaper clippings, books, and other contemporary writings centered on race. Together with the appropriate Gospel for the week, these readings stimulate lively discussion as we work through our own journey and experience with racism. Local issues that surface in the News Journal are frequently discussed and individual and group letters to the editor have been submitted. Time also is set aside for presenting reports and planning future events and business such as the racism awareness training, as we continue to support the Bishop in his efforts regarding racism.

Each Eucharistic meeting includes music, food and conversation. The Congregation meets at the Episcopal Church of Sts. Andrew and Matthew (SsAM) on the first Saturday of each month from 9:00AM until 12:00 noon, except during July and August. All are welcome to join us for any meeting or contact us for help with congregational assessments and workshops.

ST. ANDREW'S SCHOOL OF DELAWARE, INC.

St. Andrew's is a residential, college preparatory school for boys and girls in grades 9 through 12. It was founded in 1929 by A. Felix duPont. From its inception, it has been closely linked with the Diocese of Delaware and has three priests on the faculty who act as Chaplains and full-time teachers in the Religious Studies Department. The Chaplains also undertake a full range of other faculty responsibilities.

In September 2009 the School opened with 305 students, 162 boys and 143 girls. Eighty-nine percent of our students come from the following states: Arizona, California, Colorado, Connecticut, Delaware, District of Columbia, Florida, Georgia, Illinois, Maryland, Missouri, Montana, New Hampshire, New Jersey, New York, North Carolina, Ohio, Pennsylvania, South Carolina, Texas, Vermont, Virginia and Washington. International students from 15 countries account for 33 of the student body.

St. Andrew's continues to be competitive from the point of admissions. St. Andrew's remains appealing because of the strength of its academic program, its intimate community atmosphere, its religious and co-curricular focus and the beauty of its campus.

Admission to St. Andrew's is based on academic ability, character, motivation of the applicant, and the suitability of the School to the needs of the candidate, without regard to race, religious affiliation or financial circumstances. This year 43% of the students receive financial aid, the amount of which is determined by need and demonstrated ability.

Since we no longer ask for information about religious affiliation when enrolling a student, it is not possible to give precise figures. The number of Episcopalians is estimated at one-third of the student body, and the number of Roman Catholics has continued to increase over the past decade. Other denominations and faith groups represented include Hindu, Jewish and Muslim, Christian Reform and Unitarian, as well as non-denominational sects such as Mormon and Jehovah's Witness. For the 2009-10 School year, the Diocese licensed 18 student and 10 faculty communion assistants. Numerous students help to coordinate and staff our vestry, acolyte team, sacristans, lectors, as well as serving as ushers for our services.

Since St. Andrew's School is affiliated with the Diocese of Delaware, the Bishop is an ex officio member of the Board of Trustees. The Bishop is also a presence on campus officiating at services to begin our School year as well as to confirm students at the end of the year. Daniel T. Roach, Jr., is the Headmaster of the School. A member of the faculty from 1979 to 1997, Mr. Roach was appointed Headmaster in July 1997.

St. Andrew's programs and facilities continue to expand and improve in line with our long-range plan. In the summer of 2009, work continued on the final phase of renewing Founders Hall, which included updating electrical and HVAC systems and installing state-mandated sprinkler systems throughout the dining hall, kitchen area and Fleming Corridor (including related faculty apartments). Extensive work is also being done in the gym to provide upgrades in HVAC, electrical service, accessibility, and life safety systems. The lobby bathrooms are being upgraded to make them accessible, along with a new entrance and elevator; completion is set for this November.

In 2010, the School is looking to expand into summer educational and youth leadership programs. These enrichment programs will benefit over 200 youths from disadvantaged backgrounds and another 100+ will be involved in sports leadership residential programs. The hosting of Kay's Kamp, the State's only oncology camp for kids, will highlight the summer on campus.

In the area of facilities renewal, the pool will be closed all summer for needed re-grouting, re-roofing and replacement of air handling and dehumidification systems. A wide range of classrooms, dorm rooms and faculty residences will also undergo continued attention and renewal in our on-going facilities care and maintenance program.

The full-time teaching and administrative faculty consists of 35 men and 32 women; in addition the School has several part-time instructors, coaches, and nurses. The total support staff working in maintenance and housekeeping is 23. The clerical staff consists of 14 people. Including day care providers, security staff and instructional support staff, the total number of full and part-time employees equals 170. St. Andrew's is an equal opportunity employer.

ST. ANNE'S EPISCOPAL SCHOOL

St. Anne's Episcopal School is located on the outskirts of Middletown, Delaware. Guided by the mission to prepare students for secondary education and lifelong learning, the pre-kindergarten through eighth grade school has grown from a student population of 180 to more than 320 in 8 years. St. Anne's strives to enhance the intellectual, spiritual, physical, social and artistic growth of its students so that they may realize their potential for good as citizens of local and world communities. St. Anne's received its accreditation from the Middle States Association of Colleges and Schools in November 2006. Most teachers have a master's degree or state certification, and all faculty and administrators have an obvious love for students.

The 2009-2010 school year at St. Anne's Episcopal School saw a new Head of Middle School, Lora Byrd, join the faculty along with new Director of Admission, Valerie White, and some new associate teachers. Mr. Peter Thayer entered his second year as Head of School.

The spiritual aspect of the school is woven through the curriculum with daily devotions, religion classes, and weekly chapel. Chapel services focus on how to love and follow God in prayer and action. "Singing, praying and reflecting together builds our sense of community and our belief that we are each created and guided by God," said the Rev. Louise Howlett, Chaplain at St. Anne's. "Each grade level also engages in curricular-connected service learning. Community service has flowed from the school's spiritual tenets of respect, responsibility, and compassion with annual food and clothing drives, and other outreach projects to help those less fortunate and to preserve the environment."

After school activities include class overnights, interscholastic sports, Math League, Odyssey of the Mind and Lego League as well as other enrichment and intramural experiences. Every student in the school sings or plays an instrument in the school concerts or reenacts the nativity story on stage at Christmas.

The following are some facts to know about St. Anne's:

- We have a 6:1 student/ teacher ratio and class average of 16.
- We host weekly chapel services.
- We gave more than \$450,000 in financial aid grants to qualifying families in 2009-10.
- 60% of students qualified for the Johns Hopkins Scholars Program; based on CTY percentile scores of 95% or better.
- We employ full time Math and Literacy Specialists.
- Each week, students have classes in Art, Music, Computer, Spanish, Religion, Science, Library and Physical Education.
- We are located on a 125-acre rural campus.
- We offer extended care available until 6 pm.
- We are members of the National Association of Independent Schools and the National Association of Episcopal Schools.

Applications are still being accepted for most grades. Financial assistance is available to families who qualify. Approximately 30% of the students at St. Anne's receive some form of financial aid. A financial aid fund, called the Absalom Jones Financial Aid Endowment Fund, named in honor of the first African –American Episcopal minister, Absalom Jones, provides financial aid for those families of diverse backgrounds who qualify on basis of need. The school also has several fund-raising projects in place to support the Absalom Jones Financial Aid Endowment Fund and the school's Annual Fund, which supports a wide variety of projects at the school, including teachers' salaries, financial aid, and technology.

ST. MICHAEL'S SCHOOL & NURSERY

St. Michael's School and Nursery, Inc. is the oldest early childhood program in Delaware and one of the oldest in the United States. It was founded in 1890 and has been meeting the needs of children and families for 119 years. We are focused on providing an outstanding educational program for young children and a nurturing childcare environment. Socio-economic barriers still exist for many children that can prevent them from attending a school like ours. In its early years, the facility was a haven for children whose parents worked in the local tanneries.

St. Michael's offered a safe, nurturing environment for children who would otherwise be left unattended to fend for themselves on nearby vacant lots during the day. St. Michael's also operated a babies' hospital and offered shelter to homeless and abandoned children until the nursery, which then doubled as an adoption agency, could find permanent homes for them. St. Michael's accepted African American children when other public agencies would not. Since its inception, the agency has met the most pressing needs of children and their families.

Always an innovator, full-day kindergarten was added to the nursery by 1908. Today, St. Michael's remains a non-profit early education facility serving the full spectrum of diversity in our community including the most challenging, economic diversity. St. Michael's has evolved from being primarily a custodial childcare agency, to a premier school for early childhood education and is the recipient of the Governor's Award for Excellence in Early Care & Education.

We serve 160-165 children ages 2 months through Kindergarten daily with a fun-filled Summer Camp for 1st – 3rd grade. Our *Scholarship Fund* allows over 70% of our children, living in poverty or coming from low-income families, to attend our program. St. Michael's School is located in the inner city and is in census block #17 which is one of the primary areas in our state with one of the highest concentrations of children living below the poverty line. In *From Neurons to Neighborhoods: The Science of Early Childhood Development*, Jack Shonkoff, one of the foremost experts on early childhood learning, reports "High levels of stress and deprivation

result in the development of faulty circuits in the brain that we then live with for the rest of our lives.” He’s is not talking about the ordinary stress kids feel when they’re told they can’t play. Shonkoff is talking about extreme, prolonged stress—the kind that comes from not getting enough to eat, from being evicted frequently or from witnessing drug abuse and violence. Kids growing up in these conditions release high levels of stress chemicals into their brains that damage circuits. The support structure we offer at St. Michael’s allows these children to thrive in a nurturing and safe environment and provides them an excellent early school experience. At the same time, it allows parents to remain in the workforce or attend school to better provide for their family today and build independence in the future. We are committed to do all we can for these children without exploiting them or their families’ situations. The children are treated with respect and their families are provided a high level of confidentiality and privacy.

Community Benefits

Our goal is to prepare children for school and to help them become independent and self-confident. We want them to learn the basics for living a healthy, happy life and become productive members of society. Through activities designed to include them, families are our full partners in working toward this goal. Knowing their children are well cared for by highly qualified and dependable people gives them a sense of security and peace of mind. Moreover, with inadequate/poor quality care leading to high rates of employee turnover, absenteeism and low productivity in the workforce, our dependable service provides economic returns to the community and our families because they are able to remain at work or in school. Furthermore, research shows that the way children are prepared from birth to age 5 sets the stage for their future achievement in school and life. Well-designed early childhood schools have been found to generate a return to society of up to \$17.00 for each dollar spent on the program. Children in these programs are more likely to attain a higher level of education, become financially independent, and own their own homes. Society gains from reduced outlays for grade repetition and remedial classes, increased taxes paid and from reduced levels of delinquency and teen pregnancy.

STANDING COMMITTEE

Established in 1785 when the Episcopal Church was founded, the Standing Committee serves as a council of advice and consent to the Bishop. Together with the Bishop, the Standing Committee makes decisions about the ministry and discipline of the diocese and the larger church. This includes advising the Bishop, becoming the ecclesiastical authority in the absence of the Bishop, making recommendations about candidates for holy orders, participating in the discipline of clergy in other dioceses, consenting to the elections of bishops in other dioceses, considering approvals for clergy who are beyond retirement age (72) who seek employment, and consenting to the sale or mortgaging of parochial property. Unique to Delaware, we also are actively involved with congregations in transition and have a role in deployment efforts.

The Standing Committee is required by the Constitution and Canons of the Episcopal Church to discuss and vote upon requests for the election of bishops throughout the Church. This year we also consented to the election of six diaconate candidates and certified that the steps required for the Training of the Diocesan Deacons on behalf of the Commission on Ministry were met. We also voted to approve the selection of Jennifer Andrews-Weckerly and Justin Trowbridge for ordination to the priesthood.

The Standing Committee also approves the budget of Memorial House and is in discussions with DNREC and the State of Delaware regarding the use of grounds at Camp Arrowhead.

The Committee meets monthly except for July and August. Members participate in Safe Church training and Anti-Racism training as required. We also meet yearly with other diocesan bodies to discuss matters of common concern affecting the life and health of the diocese. Both Lay and clerical members of the diocese serve on the Standing Committee. This year's members include: Celeste Cox, president, Sister Jackie Fossler, Earl Beshears, Don Matthews, Jeff Ross, Sandra Johnson, Robert Brandt, and Keith Hudson, Louise Howlett, Bill Hitch, Gary Rowe, the Rt. Rev. Wayne P. Wright, and Rebecca Cronin, recording secretary.

THE ANAMCHARA FELLOWSHIP

A Religious Community within the Episcopal Church

The Purpose: The members of The Anamchara Fellowship commit to pursue a consecrated life, lived either together in community or singly, yet bound by a common ideal. The Anamchara Fellowship will seek to teach the faith of Christ by whatever means are at its disposal, and to promote the ministries of teaching, spiritual direction and pastoral care.

The Dedication: We are dedicated to the Holy Trinity, who exemplifies the Anamchara relationship.

The Spirit: The Anamchara Fellowship is lived in the spirit of Celtic Christianity, by a focus on the crucified and risen Christ. This leads to inclusiveness (seeking to build bridges), generosity, gentleness toward all that God has created, with a sense of being in harmony with all of God's creation and to have a heart for pilgrimage.

Established in 2003, by Sisters Barbara Jean Brown and Julian Wilson, the Fellowship received canonical recognition from the House of Bishops at their meeting in March 2008. The Fellowship is made up of Professed Members, Novices, Aspirants and Companions from 12 different Dioceses. The "Mother House" is located in Newark, DE, and many of the current Fellowship resides in Delaware. We currently have 21 members and 8 companions. We are a participating member of NAECC (National Association of Episcopal Christian Communities), and had two members of the Fellowship in attendance at General Convention this past summer.

Within the Diocese of Delaware, the Fellowship is represented in several parishes: St. Barnabas, St. James' Millcreek Hundred, Ascension, Christ Church Christiana Hundred, St.

Albans, and St. Thomas. One Professed member of the Fellowship serves on the Standing Committee, One Professed member is to be ordained to the Vocational Diaconate on December 5, 2009, and another Professed member is beginning the process of discerning his vocation to the Diaconate. Another Professed member of the Fellowship works as the Trauma Chaplain at Christiana Hospital and does extensive teaching on related issues to hospital staff, doctors and nurses, as well as facilitating a cancer support group.

Each member and Companion of the Fellowship is encouraged to offer themselves to the ministries of pastoral care, catechesis or spiritual direction where they live; to be present to and participate as fully as they can in the life of their own parishes. The Local membership (from Delaware and New Jersey) come together once a month for common prayer, fellowship and study. We are always seeking some service projects to participate in, either individually or as a group, as the opportunities arise, and we are available to parishes and dioceses for any pastoral or teaching opportunities that may be asked of us.

THE WAY HOME

This has been a busy year for The Way Home! We celebrated our Eleventh Year of Service to those in prison, and those leaving the gates in October 2009! It is good to think back to those early days, when the first stirrings of the spirit filled our hearts and minds as we met in prayer and study, and as we began to take our first tentative steps in service. I remember driving my old station wagon all over the county, taking people here and there, picking up donations of clothing, speaking to churches, and doing a lot of praying! Little by little, with the help of so many - our dedicated staff, board, and volunteers - the ministry has grown to serve hundreds of men and women who are leaving our Delaware prisons. The people of The Way Home are people that many in our society would rather forget. They are often plagued by addictions, by emotional scars and past traumas that cry out for healing and effective treatment. Thankfully, there are saints in our midst who do not look the other way when they see a person burdened with troubles, but reach out to help. Little by little, we labor to bring in God's kingdom, one person at a time. Together, with God's help, we can indeed move mountains of indifference and fear to clear the way for planting seeds of hope and renewal in the shattered lives around us.

The "Breaking into Prison" Bible Study, which began in 1997, continues to inspire, nourish, and challenge both inmate participants and community volunteers at the Sussex Correctional Institution, (S.C.I.), in Georgetown. One of the "graduates" of this very special Bible Study has returned to the community, where he is doing very well in his service as House Manager at the Way Home Men's Transitional House in Millsboro. He definitely did not leave his Bible behind as he left the prison! Each day is a walk of faith for him and for all of us, wherever we are. Every third Thursday is an eagerly - awaited day for all Bible Study participants! Teams made up of an inmate and a community volunteer prepare and present the monthly sessions together.

The Way Home continues to offer a minimum of three years of post-release case management to program participants. Referrals come from a wide variety of sources - from prison counselors, Chaplains, program participants, family members, and from community members at large. While the majority of our work is with the prison in Georgetown, we also receive letters and requests for help from *all* of the Delaware prisons, as well as from prisons in our neighboring states. We present our program to each Pre-Release Class at S.C.I., and now on a rotating basis with three other prisons, and meet with inmates individually prior to their release.

On release day, we are at the gate, and our journey together toward healing, crime-free life, stability, and renewal begins. The journey is different for each and every person, although there are many recurrent themes. Our work includes finding a bed in the community, providing for

initial food and clothing needs, providing transportation to probation, job search, medical and counseling appointments, recovery and support group meetings, and working with our participants on their training and educational goals. Most importantly, our work is girded with emotional and spiritual support that is so sorely needed as a person makes this life-changing transition. Community mentors join us, giving of their time to help another in need. Each quarter, we host a covered dish dinner and celebrate with the Participant of the Quarter, affirming those who are doing a good job in their transition from prison to home, and sharing a time of fellowship, along with a great meal. Please join us at these special gatherings!

Some of our regular offerings include:

- Weekly Drug & Alcohol Awareness Class at Booker Street Church, Georgetown
- Monthly “Bridges to the Future” support group meetings for ex-offenders at Georgetown Presbyterian Church
- Way Home Women’s Group – offered at Georgetown Presbyterian Church
- Mentoring
- Weekly House meetings at The Way Home Men’s Transitional House
- Goals reviews for participants
- Celebrations for birthday and sobriety milestones
- Quarterly Dinners – March 18th, June 17th, September 16th, and December 16th, 2010, from 6:30 – 8:30 p.m. at the Georgetown Presbyterian Church on North Bedford Street.

Our program is making an impact. In terms of human potential, healing of broken relationships, and public safety, our work pays huge dividends in the lives of the community. Our work makes solid economic sense as well. It costs The Way Home approximately \$5,000 to provide case management support for one participant per year, as compared to the approximately \$35,000 annually that it costs to keep one person in prison. Recidivism rates for Way Home participants are twice as low as for those who receive no post-release support.

The lives of those we serve are being enriched in so many wonderful ways. We have been working with a young man who served ten years in prison. Today he is gainfully employed, renting a room, and going back to school at Sussex Tech in Georgetown. He stays in touch with The Way Home, earning the honor of Participant of the Quarter, and keeps in touch with positive family members. Every time I see this young man he has a smile on his face. He told me, “I pray a lot, and I go fishing whenever I can. When I’m out there looking at the water, I feel the peace of God.” This is a young man who could have been lost to the world of drugs and crime. He has made a huge life change. This is only one of countless stories of renewal.

We are working to continue our statistical research with the help of the University of Delaware, which will result in a ten year study on recidivism. We are looking forward to this report, and will share it with you when it becomes available.

The Way Home was blessed this year to receive an outpouring of love and support from the statewide ECW. Christ Church Dover hosted our annual meeting, and donations of toiletries from parishes across the state poured in! Dottie Vuono, one of our newly ordained Deacons, accompanied me as we took the supplies to the Women’s prison in New Castle. They will be given to the women there who have no outside support and no job in the prison itself which would provide money for purchase of needed items from the prison commissary.

The Way Home continues to periodically provide seminars on The Expressive Arts for Healing & Empowerment at the women’s prison in New Castle. Our Autumn 2009 quarterly newsletter showcases some of this inspiring work. For the hours that staff, inmates, teacher, and volunteer

guest artists are together, our creativity takes us soaring far beyond the prison walls!

Daddy's Bedtime Story, a reading program that connects Dads with their kids through taped books being recorded by the fathers in prison and sent to the children, is doing extremely well! The Way Home, working in partnership with the Lifer's Group at S.C.I. stands ready to supply books and tapes as needed for this very worthwhile project. We also provide tape recorders for the families in community that need them in order to take part in the program.

2009 – 2010 marks the beginning of a statewide initiative put into action by Governor Markell, to coordinate services for prisoners *before* they are released. There is public recognition of the problems, the inhumanity, and the inefficiency of releasing people who have no support networks in place. Tony Neal and I have been appointed to serve on the Sussex County I-ADAPTS team, where we will be working with the community and the heads of key state departments to see that the needs of ex-offenders who are returning to Sussex County are addressed as efficiently and compassionately as possible. This represents a sea change in state government and in the Department of Corrections, and it fills us with hope for a better future.

We believe in the Gospel mandate to seek and serve Christ in all others, including prisoners, ex-offenders, and victims of crime. We also believe that when time is served and a person is released, punishment should end, and that person should be offered another chance. Who among us hasn't received many second chances from friends, family members, teachers, and mentors?

Now, please take a few moments to put yourselves in the place of someone being released from prison with little to no support, no place to go, no identification, no money, no driver's license, and, perhaps, not even weather- appropriate clothing. What would you do? Where would you turn? These are the kinds of crossroads where *we* come in, offering alternatives to the life of crime and dysfunction that led to imprisonment in the first place. As Bill Corning, our newest case manager, says, "I just want to help people. I have seen the change that happens when people get connected to their faith." Please pray for all of us as we navigate the crossroads and byways of this journey.

We see miracles. Families are being re-united, economic security is being built despite tough economic times, progress is being made in training and educational goals, and discharge from probation is being achieved. It is difficult work, but as my co-worker Tony Neal says, "When your back is against the wall and all odds are against you, that's when God is at his best!" Some of the most important elements are willingness on the part of the person to try and make a change, and at least one supportive person, preferably more, around to help with that change. Connection to another positive person has been found to be vitally important.

We have dreams – dreams of opening more Way Home houses, dreams of an Outreach Center, dreams of participants and The Way Home creating businesses – perhaps green businesses - that can eventually provide operating expenses and much-needed training and job experience. We continue to call forth the gifts of participant and community alike – gifts that may have been covered up for years. It is time to get to work. It is time to use our talents wisely, creatively, and compassionately. In this New Year, let us walk together with renewed hope and purpose as we labor to bring in God's Kingdom, one person at a time.

TRUSTEES

The Trustees of the Diocese of Delaware met together seven times and conducted business once telephonically during 2009 to discharge their responsibilities for proper distribution of discretionary and non-discretionary distributions from the trust funds of the Diocese, and for supervision of the investment of funds entrusted to them by bequests and gifts or by churches and church-affiliated organizations.

Most of the trust funds, both of the congregations and of the Diocese, are jointly invested in a common fund called Master Fund A. Please see the report on the Investment Committee in the following pages. Direct your inquiries to the Diocesan Business Manager at (302) 656-5441 ext. 108 or judigregory@dioceseofdelaware.net.

In 2009, \$359,240 generated by the trust funds of the diocese was applied to the Diocesan Council budget toward the expenses of the Episcopal Function (which consists of salaries and benefits of the Bishop), clergy training and care, The Good Shepherd Church Plant, support for Diocesan Mission and for growing congregations of the diocese.

A total of \$125,106 was paid to the Diocesan Council toward the expenses incurred by the Diocesan Office and Property staff for Trustees' work.

In addition to the sums distributed to the Diocesan Council, the Trustees disbursed \$408,517 including distribution from designated funds (subject to year-end audit) for the following purposes:

- Support of conference participation and continuing education
- Housing and travel expenses for the Bishop and Mrs. Wright
- Further computerization of the Diocesan Office
- Financial support for the health plan costs for retired clergy and lay and their spouses
- Financial aid to needy clergy, retired clergy, and surviving clergy spouses
- The missions of the Diocese for music
- Support for the Cathedral Choir School of Delaware
- Special diocesan projects and discretionary needs
- Support for activities for clergy, wardens, and their spouses
- Aid to the seminarians

At the 224th Convention, Dr. Janet Todd was elected by unanimous vote to a six-year term.

UNITED THANK OFFERING

This vision statement is the guide for all that the UTO accomplishes. The UTO seeks to make our personal thanksgiving a tangible demonstration through the ingatherings we hold in our parishes every year. The money that we send to the UTO helps to answer the prayers of those who receive our grants. Each spring the granting process funds the chosen projects using every penny that we send to them. Our Diocese sends funds four times a year, and that money is invested so that it can grow until the grants are funded. Each year many more requests are submitted than are funded. This summer the only collection taken at the General Convention was for the UTO - over \$25,000 was collected! The next day the committee met to direct this money to more grants.

This year more than 20 Parishes held ingatherings. This includes Parishes that have not had an ingathering for several years. Our total gathered is over \$20,000, an increase over the previous year. Beth FitzPatrick, Diocesan UTO Coordinator is available to assist your parish with your ingathering. Contact her at: gr8tart@aol.com or 302-529-1766. UTO materials for your ingathering are available on line at www.episcopalchurch.org/uto.

In 2008 First Steps/Primeros Pasos in Georgetown received a UTO Grant. We have not had any applications since that time. Each Diocese is permitted one application, grant proposal forms are available in the fall from the Bishop's Office or on line at: www.episcopalchurch.org/uto. Now is the time to start working on an application. There is so much need - half way houses, food pantries, day care centers, facilities for the handicapped. In these times of financial stress, we can surely help our neighbors. The Diocesan UTO Coordinator will help you with a grant proposal, contact Beth at the email or phone numbers given above. Let us all work together to expand the circle of thankful people as we use our blue boxes every day.

SECTION VII - INDEPENDENT AUDITORS' REPORT

DECEMBER 31, 2009 and 2008

Council Statement of Assets, Liabilities & Fund Balances

Certified Public Accountants & Advisors
Advancing Tradition

Independent Auditors' Report

To the Diocesan Council, Inc.
Wilmington, Delaware

We have audited the accompanying statement of assets, liabilities and fund balances of the Diocesan Council, Inc. (the "Council") as of December 31, 2009 and the related statement of support, revenue, expenses and changes in fund balances for the year then ended. These financial statements are the responsibility of the Council's management. Our responsibility is to express an opinion on these financial statements based on our audit. The prior year summarized comparative information has been derived from the Council's December 31, 2008 financial statements and, accordingly, such information should be read in conjunction with the Council's financial statements for the year ended December 31, 2008, from which the summarized information was derived.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note A, the Council's policy is to prepare its financial statements in accordance with the provisions of the General Convention of the Episcopal Church, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Those provisions require that buildings, improvements, and equipment be depreciated. They also require that a statement of cash flows be prepared at least annually. The Council has elected not to provide for depreciation and not to prepare a statement of cash flows. The effects of these departures on the Council's financial position have not been determined.

In our opinion, except for the effect of not depreciating fixed assets and not preparing a statement of cash flows as discussed in the previous paragraph, the financial statements referred to above present fairly, in all material respects, the assets, liabilities and fund balances of the Diocesan Council, Inc. as of December 31, 2009, and the support, revenue, expenses, and changes in fund balances for the year then ended, on the basis of accounting described in Note A.

NOTES TO FINANCIAL STATEMENTS**

**NOTE A – LINE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING
POLICIES**

The Diocesan Council, Inc. (the "Council") is a not-for-profit organization incorporated in the State of Delaware. The purpose of the Council is to have charge of the unification, development and prosecution of the missionary work, church extension, religious education, and Christian social service of the Protestant Episcopal Church of the Diocese of Delaware, and such other matters as may be committed to it by the Convention of the Diocese.

1. Method of Accounting

The financial statements are prepared in accordance with the provisions of the General Convention of the Episcopal Church. These practices differ in certain respects, which may be material, from accounting principles generally accepted in the United States of America. The significant differences from accounting principles generally accepted in the United States of America are as follows:

- a. The Council does not record contributions in accordance with Statement of Financial Accounting Standards No. 116, "Accounting for Contributions Made and Contributions Received" (FASB ASC 958-605). ASC 958-605 requires that the Organization record contributions received as unrestricted, temporarily restricted, or permanently restricted depending on the existence and/or nature of any donor restrictions. Contributions are recorded on the cash basis.
- b. The Council does not prepare its financial statements in accordance with Statement of Financial Accounting Standards No. 117, "Financial Statements of Not-For-Profit Organizations" (FASB ASC 958-205). ASC 958-205 requires that the Organization report information regarding financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted net assets.

Although required by the General Convention of the Episcopal Church, the Council has elected not to record depreciation on capital purchases and not to present a statement of cash flows. The Council does not feel that the lack of depreciation and the statement of cash flows cause the statements presented to be misleading, nor do they believe the omitted information is meaningful. The effect of not depreciating fixed assets and omitting a statement of cash flows has not been determined.

2. Fund Accounting

To ensure observance of limitations and restrictions placed on the use of resources available to the Council, the accounts of the Council are maintained in accordance with the principles of fund accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds established according to their nature and purposes.

Separate accounts are maintained for each fund; however, in the accompanying financial statements, funds that have similar characteristics have been combined into fund groups. Accordingly, all financial transactions have been recorded and reported by fund group.

The Operating Fund represents the portion of expendable funds that are available for the support of the Council's general operations and approved by Diocesan Convention.

The Special Fund represents funds reserved for specific ministries.

The Property Fund represents funds restricted for property acquisitions.

The Bishop's Discretionary Fund is utilized to account for special projects conducted by the Bishop.

Memorial House is the Diocesan Conference Center located in Rehoboth Beach, Delaware.

Camp Arrowhead is a 145-acre summer camp and conference center on Rehoboth Bay, Delaware.

3. Security Transactions and Related Investment Income

Security transactions are recorded on the trade date. Investments owned are carried at market value. The difference between cost and market value is reflected as unrealized appreciation (depreciation) on investments. Realized gains (losses) from security transactions are determined for financial reporting purposes on the basis of first-in, first-out. Dividend income is recognized on the ex-dividend date, and interest income is recognized on the accrual basis.

4. Income Taxes

The Council is a not-for-profit entity that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. The Council is not a private foundation.

5. Accounts Receivable

Accounts receivable are recorded at net realizable value. The Council uses the specific charge off method to account for bad debts. Management feels that this does not differ materially from the allowance method. There were no bad debts during 2009 and 2008.

6. Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

7. Prior Year Financial Statements

The financial statements include certain prior-year summarized comparative information in total but not by fund. Such information does not include sufficient detail to constitute a presentation in conformity with the provisions of the General Convention of the Episcopal Church. Accordingly, such information should be read in conjunction with the Council's financial statements for the year ended December 31, 2009, from which the summarized information was derived.

8. Subsequent Events

Council has evaluated subsequent events through May 11, 2010, the date the financial statements were available to be issued.

| Total | <u>\$ 1,647,851</u> | <u>\$ 2,365,693</u> |

Master Fund A units are composed of shares in a fund owned collectively with other entities with affiliation to the Episcopal Church. The Fund itself is composed of various publicly traded debt and equity securities. The Trustees oversee the function of Master Fund A for all fund unit holders. Units may be liquidated by unit holders on demand without restriction. The market value represents the Trustees' pro-rata share of the combined fair market value of the net assets of Master Fund A.

NOTE C – PENSION PLAN

The lay employees and the clergy of the Diocesan Council, Inc. are participants in separate pension plans. The Episcopal Church Lay Employees Retirement Plan covers the lay employees and the Church Pension Fund covers the clergy. Both plans are defined benefit plans. Lay employees are eligible for participation upon completion of one year or 1,000 hours of service. Employer contributions to the plan are funded based on 9% of the participants' compensation. The plan provides for full vesting after five years of service. Clergy are eligible for participation and are fully vested immediately, and contributions are funded based on 18% of the participants' compensation. Pension plan contributions were \$79,837 and \$78,610 for the years ended December 31, 2009 and 2008, respectively.

NOTE D – LAND, BUILDINGS, AND EQUIPMENT (CONTINUED)

In April 2010, Council accepted a bid to sell the St. Thomas's Vicarage in Newark, DE for \$185,000. Under the terms of the sale, Council will receive \$32,000 in proceeds from the sale to refund initial amounts paid to help pay for the initial purchase of the property and will also receive \$6,546 in accounts receivable from the parish. Based on the terms of the sale, the net proceeds will then be split with 60% going to St. Thomas's Vicarage and 40% going to Council. The expected gain on the sale of this property to be recorded by Council in 2010 is approximately \$22,000.

NOTE E – LOANS AND GRANT PAYABLE

The Council's obligations under loans payable consist of the following at December 31:

| | <u>2009</u> | <u>2008</u> |
|---|--------------------------|--------------------------|
| Good Shepherd Church - installments of \$700 per month of principal plus interest of 2.5%, starting January 2006, payable to the Trustees of the Protestant Episcopal Church of the Diocese of Delaware | <u>\$ 101,858</u> | <u>\$ 110,258</u> |
| Total | <u><u>\$ 101,858</u></u> | <u><u>\$ 110,258</u></u> |

In addition to the Good Shepherd loan payable, a grant payable of \$168,000 to the Trustees of the Protestant Episcopal Church of the Diocese of Delaware (the "Trustees") was outstanding as of December 31, 2009 and 2008 for the purchase of a building and land in Bear, Delaware. The grant is expected to be paid to the Trustees upon Good Shepherd attaining church status, thus becoming a separate entity from the Diocesan Council, Inc.

NOTE F – FINANCIAL INSTRUMENTS

Financial instruments that potentially subject the Council to concentrations of credit risk consist principally of investments. Concentrations of credit risk with respect to investments are limited due to the placement of its investments with professional investment advisors subjected to the Council's investment policies.

The Diocesan Council, Inc. maintains operating cash balances in different financial institutions. The Federal Deposit Insurance Corporation insures these balances up to \$250,000. In the normal course of business, balances exceed this amount. The Council considers the possibility of incurring a loss remote.

NOTE G – POST-RETIREMENT BENEFITS OTHER THAN PENSION

The Council provides post-retirement medical coverage for retired clergy and their spouses and lay employees over age 65 or before age 65 if disabled. The coverage is supplemental to Medicare Parts A and B.

This policy of providing such benefits is subject to change, at any time, in accordance with Canon 23 of the Diocese of Delaware. This policy is currently under study by the Trustees and Diocesan Council.

Based on the existing policy adopted by the Diocesan Council, in accordance with Canon 23 of the Diocese of Delaware, the Council's accumulated post-retirement benefit obligation (APBO) for current retirees and spouses as of December 31, 2009 and 2008 was estimated at \$628,141 and \$767,959, respectively. The weighted average discount rate used in the calculation of the APBO was 7.0%. The 2009 and 2008 healthcare cost gross trend rates begin at 15% and 12.5%, respectively, decreasing to 3.0% and 5.0% in 2010 and 2009, respectively, for employees aged 65 and older. If the health care cost trend rates were increased by 1% for each year, the accumulated post-retirement benefit obligation as of December 31, 2009 and 2008 would increase by \$19,520 and \$32,611, respectively. The Council's post-retirement benefit obligation is not funded. The amounts of accumulated benefit obligation of \$628,141 and \$767,959 and the amounts of the 1% increase in health care costs of \$19,520 and \$32,611 set forth herein are based on the assumption that the existing policy to provide such benefits is not changed by the Diocesan Council. The existing policy was adopted by the Council as an extraordinary benefit and not as an entitlement under contract.

The accumulated post-retirement benefit obligation for medical benefits for clergy, lay employees and their respective spouses who could be eligible and receive this benefit in the future cannot be reasonably estimated; accordingly, no liability has been accrued by management in these financial statements.

NOTE H – CHARITABLE LEAD TRUST

The Council was the beneficiary of a charitable lead annuity trust under which 7% of the trust's fair market value was contributed quarterly to the Council for the benefit of Camp Arrowhead. The assets were held at Wilmington Trust Co. The trust terminated on October 8, 2008. The Council received \$-0- and \$65,484 for the years ended December 31, 2009 and 2008, respectively.

Independent Auditors' Report

To the Trustees of the Protestant Episcopal Church
of the Diocese of Delaware Master Fund "A"
Wilmington, Delaware

We have audited the accompanying statements of assets, liabilities and net assets of the Trustees of the Protestant Episcopal Church of the Diocese of Delaware Master Fund "A" (Master Fund "A") as of December 31, 2009 and 2008 and the related statements of operations and changes in net assets for the years then ended. These financial statements are the responsibility of the Trustees. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As described in Note A, the Trustees' policy is to prepare the financial statements of Master Fund "A" in accordance with the provisions of the General Convention of the Episcopal Church, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. These provisions require that a statement of cash flows be presented. The Trustees have elected not to present a statement of cash flows for Master Fund "A".

In our opinion, except for the omission of the statement of cash flows, the financial statements referred to above present fairly, in all material respects, the assets, liabilities and net assets of Master Fund "A" as of December 31, 2009 and 2008, and the results of its operations and changes in net assets for the years then ended, on the basis of accounting described in Note A.

NOTES TO FINANCIAL STATEMENTS**

NOTE A – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Nature of Activities

Master Fund “A” (the “Fund”), is an investment account for the various organizations, institutions, churches and other agencies in affiliation with The Protestant Episcopal Church of the Diocese of Delaware. Each organization, institution, or church may own units in the Master Fund “A”. The Fund itself is maintained by SunTrust Bank as custodian under the direction of and with policy set by the Trustees of the Protestant Episcopal Church of the Diocese of Delaware through its investment committee.

2. Method of Accounting

The financial statements are prepared in accordance with the provisions of the General Convention of the Episcopal Church, except that no statement of cash flows has been presented as required. The Trustees do not believe this information is meaningful to users of these statements. These practices differ in certain respects, which may be material, from accounting principles generally accepted in the United States of America.

3. Investments in Marketable Securities

Security transactions are recorded on the settlement date basis, which is not materially different from the trade date basis. Investments owned are carried at market value, which is the closing bid price on the last day of trading during the period. The difference between cost and market value is reflected as unrealized appreciation (depreciation) on investments. Realized gains (losses) from security transactions are determined for financial reporting purposes on the basis of first-in, first-out. Dividend income is recognized on the ex-dividend date and interest income is recognized on an accrual basis.

The Fund has elected to include the disclosure requirements of Financial Accounting Standards Board (“FASB”) released SFAS No. 157 (FASB ASC 820-10), which provides enhanced guidance for using fair value to measure assets and liabilities. FASB ASC 820-10 establishes a fair value hierarchy and specifies that a valuation technique used to measure fair value shall maximize the use of observable inputs and minimize the use of unobservable inputs. The objective of a fair value measurement is to determine the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). Accordingly, the fair value hierarchy gives the highest priority to quoted prices (unadjusted) in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

Level 1 – Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

**NOTE A – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING
POLICIES (CONTINUED)**

3. Investments in Marketable Securities (Continued)

Level 2 – Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 – Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

4. Premiums and Discounts

The difference between the cost and the face value of debt instruments purchased (premiums or discounts) is not amortized or accreted over the life of the investment on a straight line or effective yield basis.

There were total net premiums paid of \$922,327 and net discounts of \$7,483 received, as of December 31, 2009 and 2008, respectively, representing the maturity value of fixed income securities over cost (discount) or cost over maturity value (premium). Because the purchase of the premiums on bonds occurred in November and December 2009, the effect of not amortizing these premiums over the life of the security is not material to the financial statements.

5. Transactions with Unit-holders

Purchase or redemption of units may be made on March 31, June 30, September 30 and December 31. During 2009 and 2008, standard gross quarterly distributions were 46 cents per unit for both years. Participants may elect to increase or decrease this distribution, which will result in liquidation or addition of units.

6. Amounts Held on Behalf of Participants

As a convenience to Participants, the Fund will hold cash balances on their behalf in segregated accounts separate from their Fund share balances. These cash balances are redeemable on demand. The total of all these segregated accounts was \$991,077 and \$1,418,644 at December 31, 2009 and 2008, respectively. These amounts appear as liabilities on the statement of assets, liabilities and net assets.

7. Administrative and Investment Fees

Fees are paid to the Trustees of the Episcopal Church of the Diocese of Delaware (the "Trustees") and Hamilton & Company to cover investment advisory and administrative services provided to the Fund. Fees to the investment advisors and custodians are paid based on the following annual rates calculated on the average market value of assets under management:

| Advisor/Custodian | Rate |
|---|-------|
| Trustees of the Protestant Episcopal Church | 0.04% |
| Dawson-Herman | 1.00% |
| Private Capital Management, Inc. | 1.00% |
| U.S. Trust Companies / Neuberger Berman | 0.65% |
| SunTrust Bank - Custodial/Administrative | 0.12% |
| John Hsu Capital Group, Inc. | 0.38% |
| Steinberg Asset Management | 0.85% |

Hamilton & Company receives an annual flat fee of \$40,000, allows a credit for commissions received and bills separately for out-of-pocket expenses. During 2009 and 2008, the Trustees were paid \$18,782 and \$24,662, respectively, and Hamilton & Company was paid \$33,608 and \$51,123, respectively. For the years ending December 31, 2009 and 2008, John Hsu Capital Group, Inc. was paid \$58,078 and \$58,721 respectively, Dawson-Herman, Inc. was paid or due \$145,956 and \$190,488, respectively, Private Capital Management, Inc. was paid or due \$0 and \$57,248, respectively, U.S. Trust Companies/Neuberger Berman was paid or due \$73,221 and \$79,479, respectively, SunTrust Bank was paid or due \$55,716 and \$73,998, respectively, and Steinberg Asset Management was paid or due \$77,664 and \$57,837 respectively.

8. Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

9. Concentration of Market Risk

The Fund maintains its cash balances with nationally known and established financial institutions. From time to time, in the normal course of business, the Fund's cash balances may exceed federally insured limits. Management believes the risk of loss is remote.

10. Subsequent Events

Management has evaluated subsequent events through May 11, 2010, the date the financial statements were available to be issued.

NOTE B – FINANCIAL INSTRUMENTS

Financial instruments that potentially subject the Fund to concentrations of credit risk consist principally of investments. Concentrations of credit risk with respect to investments are limited due to the placement of its investments with professional investment advisors subject to the Fund's investment policies.

NOTE C – INCOME TAXES

The Fund is not subject to federal or state income taxes. All income is passed-through directly to the owners of units. Accordingly, no provision for income taxes has been recorded in the accompanying financial statements.

NOTE D – SECURITY TRANSACTIONS

Additions and redemptions for the year ended December 31, 2009 amounted to \$1,206,620 or 39,463 units, and \$313,761 or 9,941 units, respectively.

Additions and redemptions for the year ended December 31, 2008 amounted to \$1,768,394 or 45,088 units, and \$1,356,942 or 32,755 units, respectively.

The Fund has determined the fair value of certain assets through application of Statement of Financial Accounting Standards No. 157, *Fair Value Measurement* (FASB ASC 820-10). As required by FASB ASC 820-10, investments are classified within the level of the lowest significant input considered in determining fair value. In evaluating the level at which the Organization's investments have been classified, management has assessed factors including, but not limited to price transparency, subscription activity, redemption activity and the existence or absence of certain restrictions. Financial assets valued using Level 1 inputs are based on unadjusted quoted market prices within active markets. Financial assets valued using Level 2 inputs are based on quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly. Financial assets valued using Level 3 inputs are based on assumptions and pricing models and other unobservable inputs.

INDEPENDENT AUDITORS' REPORT**

DECEMBER 31, 2009 AND 2008

Independent Auditors' Report

To the Trustees of the Protestant Episcopal Church
of the Diocese of Delaware
Wilmington, Delaware

We have audited the accompanying statements of assets, liabilities and fund balances of the Trustees of the Protestant Episcopal Church of the Diocese of Delaware (the "Trustees") as of December 31, 2009 and 2008 and the related statements of support, revenue, expenses and changes in fund balances for the years then ended. These financial statements are the responsibility of the Trustees' management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As described in Note A, the Trustees' policy is to prepare their financial statements in accordance with the provisions of the General Convention of the Episcopal Church, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Those provisions require that buildings, improvements, and equipment be depreciated. They also require that a statement of cash flows be prepared at least annually. The Trustees have elected not to provide for depreciation and not to prepare a statement of cash flows. The effects of these departures on the Trustees' financial position have not been determined.

In our opinion, except for the effect of not depreciating fixed assets and not preparing a statement of cash flows as discussed in the previous paragraph, the financial statements referred to above present fairly, in all material respects, the assets, liabilities and fund balances of the Trustees of the Protestant Episcopal Church of the Diocese of Delaware as of December 31, 2009 and 2008, and the support, revenue, expenses, and changes in fund balances for the years then ended, on the basis of accounting described in Note A.

**THE TRUSTEES OF THE PROTESTANT EPISCOPAL CHURCH
OF THE DIOCESE OF DELAWARE
DECEMBER 31, 2009 AND 2008
NOTES TO THE FINANCIAL STATEMENTS**

NOTE A – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Trustees of the Protestant Episcopal Church of the Diocese of Delaware is a not-for-profit Corporation of the State of Delaware. The purpose of the Organization is to advance the religious and educational work of the Episcopal Church by serving as the custodian and trustee of the property and funds and as the fiscal agent of the Protestant Episcopal Church of the Diocese of Delaware and by providing financial, custodial, trust, and investment services and advice for the Diocese and all of its institutions and by fulfilling such duties as are authorized and required by the Convention of the Diocese and to aid, support, and maintain the Bishop of the Diocese, ministers and missionaries of the Episcopal Church and to further religious, charitable, benevolent, and educational objects generally, and in furtherance of said objects to minister and serve the needs of the young, the aged, the sick, the disabled, and the poor, and to improve the spiritual, physical, mental, and moral condition of humanity.

1. Method of Accounting

The financial statements are prepared in accordance with the provisions of the General Convention of the Episcopal Church. These practices differ in certain respects, which may be material, from accounting principles generally accepted in the United States of America. The significant differences from accounting principles generally accepted in the United States of America are as follows:

- a. The Organization does not record contributions in accordance with Statement of Financial Accounting Standards No. 116, "Accounting for Contributions Made and Contributions Received" (FASB ASC 958-605). ASC 958-605 requires that the Organization record contributions received as unrestricted, temporarily restricted, or permanently restricted depending on the existence and/or nature of any donor restrictions. Contributions are recorded on the cash basis.
- b. The Organization does not prepare its financial statements in accordance with Statement of Financial Accounting Standards No. 117, "Financial Statements of Not-For-Profit Organizations" (FASB ASC 958-205). ASC 958-205 requires that the Organization report information regarding financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted net assets.

Although required by the General Convention of the Episcopal Church, the Trustees have elected not to record depreciation on capital purchases and not to present a statement of cash flows. The Trustees do not feel that the lack of depreciation and the statement of cash flows cause the statements presented to be misleading, nor do they believe the omitted information is meaningful. The effect of not depreciating fixed assets and omitting a statement of cash flows has not been determined.

2. Fund Accounting

To ensure observance of limitations and restrictions placed on the use of resources available to the Diocese, the accounts of the Organization are maintained in accordance with the principles of fund accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds established according to their nature and purposes.

Separate accounts are maintained for each fund; however, in the accompanying financial statements, funds that have similar characteristics have been combined into fund groups. Accordingly, all financial transactions have been recorded and reported by fund group. Fund groups are composed of the following:

a. The Advance and Development Fund

The Advance Fund represents resources available to provide loans to the churches and institutions of the Episcopal Diocese of Delaware. The amounts of the loans and the terms of repayment are determined by the Board on an individual case basis. Effective January 1, 1977, the Board determined that all Advance Fund excess income and expenses would be allocated to the Development Fund.

The Development Fund represents resources available to provide grants to the churches and institutions of the Episcopal Diocese of Delaware. The Board approves the amounts and terms of the grants.

b. The Trustees' Funds

The Trustees' Funds are consolidated and include the following funds:

The Administrative Expense Fund represents funds to cover administrative expenses for the Trustees of the Protestant Episcopal Church of the Diocese of Delaware.

The Ash Fund represents funds to promote the Gospel of Christ and extend the worship of the Episcopal Church of Delaware.

The Bishop's Missionary Fund represents funds to provide the Bishop with money for general missionary work.

The Bishopstead Maintenance Fund represents funds for the maintenance and operation of the home and guesthouse of the Bishop.

b. The Trustees' Funds (Continued)

The Buckelew Trust Fund represents funds to be used at the discretion of the Bishop and the Trustees of the Protestant Episcopal Church of the Diocese of Delaware.

The Calvary-Herndon Fund for Urban Ministries represents assets transferred, at book value, to the Trustees of the Protestant Episcopal Church of the Diocese of Delaware by the Convention of the Diocese of Delaware on April 25, 1992 following the termination of parish status of Calvary Church. All real property was sold in 1994.

The Clergy Aid Funds represent funds to satisfy the needs of retired or disabled clergy or their widows and clergy's wives and families in times of financial stress.

The Ellason and Molly Laird Downs Real Estate Maintenance Fund represents funds to be used by the Episcopal Diocese of Delaware for the maintenance of Diocesan owned properties.

The Episcopate Endowment Fund represents funds for the Bishop's salary, expenses, and allowances.

The General Diocesan Fund represents funds to be used for Church purposes at the discretion of the Trustees of the Protestant Episcopal Church of the Diocese of Delaware.

The General Diocesan Episcopate Transition Fund represents funds that have been set aside and reinvested. These funds will be used to assist in the transition costs for the eleventh Bishop of the Diocese of Delaware.

The Oberod Fund was started in 2006 and represents distributions from the Estate of Mrs. DuPont Lunger and from the sale of the Oberod Conference and Retreat Center. The use of these funds are at the discretion of the Bishop and Trustees of the Diocese.

The Silliman Fund represents funds to meet extraordinary expenses for clergy and other worthy persons in The Diocese as needed.

The Tatnall Fund represents funds to be used at the Bishop's discretion for theological education, clergy aid, and missionary work.

The Theological Education Fund represents funds for the benefit of theological students.

c. The Trustees' Funds (Continued)

The Williams Missionary Fund represents funds created under the will of Elizabeth Williams and provides for the income to be distributed as follows: two-thirds to The Diocesan Council, Inc. to be distributed to missionary churches and one-third directly to the choirs of the missionary churches.

The Property Fund represents funds expended for land and buildings.

3. Security Transactions and Related Investment Income

Security transactions are recorded on the trade date. Investments owned are carried at market value. The difference between cost and market value is reflected as unrealized appreciation (depreciation) on investments. Realized gains (losses) from security transactions are determined for financial reporting purposes on the basis of first-in, first-out. Dividend income is recognized on the ex-dividend date and interest income is recognized on an accrual basis.

4. Income Taxes

The Trustees is a not-for-profit entity that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

The Trustees is not a private foundation.

5. Accounts Receivable

Accounts receivable are recorded at net realizable value. The Trustees use the specific charge off method to account for bad debts. Management feels that this does not differ materially from the allowance method. There were no bad debts during 2009 and 2008.

6. Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

NOTE B – LOANS/MORTGAGE RECEIVABLE

Loans receivable bear interest rates ranging from 2.0% to 5.8% (rate based on specific circumstances of borrower but not to exceed 80% of the true interest rate on twenty year U.S. Government bonds). Interest is payable semi-annually. Loan principal is amortized on a straight-line basis with terms up to twenty years, some with five-year balloon payments. Interest income is recognized over time as it is earned. Loans/Mortgage receivable at December 31 were as follows:

NOTE C – LAND, BUILDING AND FIXTURES (CONTINUED)

In 2007, the Trustees paid \$755,963 to acquire property adjacent to an Episcopal church in Newark, Delaware. The Trustees are holding this property pending the completion of a planning process by the adjacent church to decide how best to use the property. This plan should also include a manner of repayment for the cost of the property to the Trustees.

As mentioned in Note A, the Trustees do not record depreciation expense on fixed assets. It is the policy of the Trustees to capitalize only major improvements or new buildings.

NOTE D – INVESTMENTS

Investments were composed of the following as of December 31, 2009 and 2008:

| | 2009 | | 2008 | |
|-----------------------|----------------------|----------------------|----------------------|----------------------|
| | Cost | Market | Cost | Market |

Master Fund A units are composed of shares in a fund owned collectively with other entities with affiliation to the Episcopal Church. The Fund itself is composed of various publicly traded debt and equity securities. The Trustees oversee the function of Master Fund A for all fund unit holders. Units may be liquidated by unit holders on demand without restriction. The market value represents the Trustees' pro-rata share of the combined fair market value of the net assets of Master Fund A.

OF THE DIOCESE OF DELAWARE
DECEMBER 31, 2009 AND 2008
NOTES TO THE FINANCIAL STATEMENTS**

NOTE E – LOAN PAYABLE

In 2007, the Trustees were provided a \$700,000 loan for its purchase of 29 West Park Place in Newark. Payments of interest only are made monthly until maturity and the principal on the loan is due in full at maturity in April 1, 2012 and is secured by the Newark property. The loan bears a variable interest rate of the National Commercial Rate less 25 basis points. The interest rate on December 31, 2009 and 2008 was 3.75% and 3.50%, respectively. Interest expense of \$26,615 and \$34,757 was reported in the accompanying financial statements for the years ended December 31, 2009 and 2008, respectively.

NOTE F – FINANCIAL INSTRUMENTS

Financial instruments that potentially subject the Trustees to concentrations of credit risk consist principally of investments. Concentrations of credit risk with respect to investments are limited due to the placement of its investments with professional investment advisors subject to the Trustees' investment policies.

The Trustees maintain operating cash balances in different financial institutions. The Federal Deposit Insurance Corporation insures these balances up to \$250,000. In the normal course of business, the cash balances may exceed this amount. The Trustees consider the possibility of incurring a loss remote.

NOTE G – CONTRIBUTED SERVICES

Many volunteers contribute their time to further the goals of the Trustees. While significant, the value of these services is not readily determinable and no amounts have been recorded as revenue to recognize them for financial statement purposes.

NOTE H – COMMITMENTS

The Trustees hold title to a tract of land in Sussex County, Delaware near one of its parishes. The terms of the gift instrument whereby the land was transferred specify that the property, and any income from it, are to be used to provide funding to the nearby parish. The proceeds of a sale will substantially exceed the carrying value of the property. Once the proceeds are received, they will be either invested or otherwise used for the exclusive benefit of the nearby parish as specified by the donor.
